### A CHAPTER ON SANDWICHES.

As this is the glorious time of year for outings, camping, boat trips and picnics, the sandwich will be the most common article of food. The following may be suggestive, although one may make sandwich filling or soup out of almost anything that is palatable:

**Watercress** is obtainable, there is nothing more snappy and refreshing for a sandwich filling. Season with lemon juice, olive oil, salt and pepper, with a pinch of sugar, or simply salt and sugar.

**Pepper Filling**.—Chop green peppers that have been seeded and the white pulp removed and simmer for ten minutes in a tablespoonful of butter. Season with salt and set aside to cool. Spread on buttered bread.

**Dutch cheese**, made smooth with cream and seasoned with chopped chives, or green pepper, nuts or both. Grated horseradish with cream spread on buttered bread.

**Tongue**, cooked, spread with mustard, cut in thin slices.

**Swiss cheese** cut in very thin slices. Rich American cheese grated and mixed with cream, spread on rounds of bread and fried on both sides in a little butter.

**Watercress** with hard-cooked eggs, chopped and mixed, or hard-cooked eggs chopped, seasoned with melted butter, a pinch of mustard, salt and a dash of cayenne. Eggs mixed with grated cheese, chopped onion or chopped cucumber.

**Thin slices** of banana dressed with oil and lemon juice.

**Corned beef** spread with mustard cut in thin slices.

**Chopped dates** and nuts, flavored with a pinch of cinnamon and cloves. Drained and boned anchovies, pounded to a paste with butter. Or anchovy paste may be purchased. Chopped egg mixed with anchovy is good; also cream cheese.

**Thinly sliced radishes**, sliced cucumbers seasoned with mayonnaise, placed on slices of buttered bread just before serving, so that they will be crisp.

## WOMAN'S MISSIONARY SOCIETY OF CHRISTIAN CHURCH

The Woman's Missionary Society of the Christian Church held its regular monthly meeting at the home of Mrs. Will Collins on North Gidding Street last Wednesday at 3:00 p. m., seventeen members and seven visitors being present.

The program—"New emphasis on trained leadership" was well given. At a recent meeting our state aims were presented and accepted, also the monthly offering of 25c per member unanimously adopted. Every member is urged to stand by through the whole year, that the goal set for the five year campaign may be attained. The program for the day was in charge of Mrs. Andrew Crane. During the social hour refreshments were served by the hostess.

### CHURCH OF CHRIST

Last Lord's day we had with us Bro. Carl A. Gardner who is preaching in this part of the state. He gave us a fine lesson on "an abundant entrance into the everlasting kingdom." Prof. Gardener is doing a good work by preaching in destitute places over this territory.

Bro. Mickey has just returned from holding a meeting at Portales where he had good success.

The bible class met last Sunday morning at ten o'clock for Sunday school. We had a very nice lesson in the junior class on the twelfth chapter of Romans.

We met again last Sunday night for prayer meeting and had a good lesson on the devices of Satan, which was made real interesting. Let all remember the Wednesday evening prayer meeting that meets at the church house now. And everyone come next Lord's day for the services then.

REPORTERS.

Doan's Kidney Pills are for weak kidneys. Ask your neighbor.

Here is good testimony to prove it. J. P. Voyles, farmer, Portales, N. Mex., says: "I know Doan's Kidney Pills are a good kidney medicine and am glad to recommend them. About

ten years ago my kidneys were out of order. There was a heavy, dull, bearing-down pain that never seemed to ease up, right across the small of my back. I sure felt all out of order when I began using Doan's Kidney Pills. I took this medicine off and on for some time and it strengthened me up."

Recent reports from Canada as to the class of immigrants arriving from Europe are encouraging. The largest influx is from Great Britain and it almost goes without saying that the majority are Scots. Many of the Italians, Poles and Belgians, who are also coming, are people of some standing and have brought more or less capital with them. It is significant that most of them are farmers, who make up the class which the Dominion most desires. The rate of exchange seems to be having quite an effect on immigration. People arriving in Canada or the United States must have a certain minimum
